Mirror Photo Booth

Mirror Photo Booth

The Mirror Photo Booth is a magical, interactive photo booth experience for all. Our unique photo booth attracts all audiences with its charming design, interchangeable frames, and exciting features. It provides endless fun and entertainment for guests throughout the event with unlimited photo sessions.

The full-length mirror offers a sleek design and a user-friendly interface, communicating with participants through a touch screen of colourful animations. All our Mirror Booth screens, animations and photo templates are personally customised to complement your wedding theme and colours.

Our Mirror Photo Booth captures professional-grade photographs with a Canon DSLR camera which is hidden out of site, behind the mirrors glass. Photos are printed instantly with our high quality thermal printer for inclusion in your wedding guest book.

PHOTO BOOTH LAYOUT

Without a Backdrop

Layout Recommendations - Without a Backdrop

Our mirror photobooth is best set in a corner of the venue or against a wall, with close proximity to a powerpoint. Guests stand approximately a 1.5m distance in front of the booth to have their photos taken. The booth is 75cm wide, 60cm deep and 130cm tall. Additionally, a 4ft-6ft trestle table is required adjacent to the photobooth for props and signing of the guestbook (*provided on request*).

An area of 2.5m x 2.5m is recommended.

Layout Recommendations - With a Backdrop

Additional Fee Required

Our mirror photobooth **with a backdrop** requires a solid wall space of 2.5m to display the backdrop. Guests stand in front of the backdrop with the mirror photobooth positioned approximately 2m in front of the backdrop. A power outlet is required nearby. A powercord will be run from the booth to the outlet with tape or a secure cover to avoid a trip hazard. The booth is 75cm wide, 60cm deep and 130cm tall. Additionally, a 4ft-6ft trestle table is required adjacent to the photobooth for props and signing of the guestbook (*provided on request*).

An area of 3.5m x 3m is recommended.
